## TELEPHONE DIRECTORY 2010

May 1, 2010

Dear Parents,

It has been our recent tradition to have a preschool telephone directory available to all SLC families. We would only use information with permission and only parents who give that permission will receive the directory.

This should help plan birthday parties, play dates, and possibly lunch out with other parents. If you are interested, please fill out the information below and return to Sherry by August 20, 2010.
